STUD HISTORY:

Founded in 1969, and is located at "Hendon Park" which is 20kms north of Melbourne, on basalt plains scattered with lovely old Red Gum trees, average rainfall is 26 inches, no irrigation. Glen Goulburn runs approximately 80 stud cows in conjunction with a commercial herd. We are a member of Group Breedplan, MN1 Johnes status and Cattle Care Accredited.

We are a regular participant in the Victorian Beef Week Field Days, which is an excellent opportunity for people to view our herd and for them to select bulls and females they may wish to purchase.

Bulls and females are available for sale, we also sell Bulls at Wodonga National Hereford Bull Sale and Dubbo National Poll Hereford Bull Sale.
