- Studbrook D'Artagnion V086 (AI) (ET)
- Nookan Warren 2 (AI) (ET)
- Valma Southern Star (AI) (ET)
- Bobanken Southern Cross S48

In January 1990 Rosstulla Partnership purchased BG & LM Forrest's interest in the stud and Barrie and Rex continued to run the stud until 1998 where Barrie retired from the partnership due to ill health (he passed away in March 2000). The stud was taken over by Rosstulla Holdings, which is a partnership run by Rex and his wife Trish. Our daughter, Narelle has joined the team in 2006 as a rural operations trainee and we look forward to preparing her to eventually take over.

Located in North East Victoria cattle run in commercial conditions alongside sheep on light granite country at an altitude of 1800 feet and on a 35 inch rainfall. In winter cold winds, heavy frosts and snow conditions prevail and in summer hot inland conditions apply. The stud consists of approximately 80 registered cows and we are MN1 accredited.

Rosstulla is a regular participant in the Victorian Beef Week Field Days having missed only one open day in recent years due to active fires adjacent to our property in 2003. A regular vendor at the Wodonga Poll Hereford Bull Show and Sale, we have also rejoined the show arena in recent years as our children have taken an interest.

Major Awards from recent events:

Wangaratta Poll Hereford Feature Show –	Supreme Champion Exhibit Junior Champion Bull
Benalla Poll Hereford Feature Show -	Reserve Junior Champion Female
Albury All breeds Heifer Show -	Reserve Junior Champion Female Reserve Senior Champion Female

Located on the outskirts of the beautiful historic township of Beechworth we welcome visitors.
